Executive & Physician Leadership Development

Leadership programs for physicians, senior leaders and executive teams, from three-day immersions at Cleveland Clinic to multi-month development and onboarding pathways.

CATEGORY	TYPICAL DURATION	DELIVERY MODEL
Education & Training	3 days to about 4 months, by program	On-site, Hybrid, Self-paced Online, Cohort-based Program

01 CLIENT NEED

Organizations need leaders who build strong teams, decide well in complex systems and carry a culture of excellence through growth or a new hospital opening.

02 WHY CLEVELAND CLINIC

Programs combine experiential learning with direct exposure to Cleveland Clinic's leadership, culture and operating model, at Cleveland Clinic or as blended pathways with the participant organization.

03 WHAT YOU RECEIVE

- **Global Physician Leadership Immersion Program.** Physicians new to leadership; 3-day cohort in the United States
- **Executive Visitors Program.** Healthcare leaders; 3-day operational immersion
- **Samson Global Leadership Academy.** Senior executives; 1 to 2 week intensive
- **Executive Leadership Onboarding.** Leaders of new hospitals; about 4 months, from March 2027
- **Executive Leader Development Pathway.** Leaders of established hospitals; about 4 months, from January 2027

04 HOW IT WORKS

On-site / Hybrid / Self-paced Online / Cohort-based Program | 3 days to about 4 months, by program

Format: In-person immersions and cohorts, and hybrid pathways

Location: Cleveland Clinic (United States) and the participant organization

05 WHAT WE NEED FROM YOU

- Executive sponsorship and full participation for the pathways
- Program fees: Physician Leadership Immersion $3,500 ($1,500 for strategic partners); Executive Visitors $4,000; Samson Academy $8,500 to $15,000; others to be confirmed

06 EXPECTED OUTCOMES

- Stronger capability in current and emerging leaders
- First-hand exposure to the Cleveland Clinic model
- Leadership development tied to measurable results
