Clinical Knowledge Exchange & Faculty Development

Cleveland Clinic expertise delivered to your institution: best-practice sessions, a member speaker series, visiting professorships, curriculum review and faculty development.

CATEGORY	TYPICAL DURATION	DELIVERY MODEL
Education & Training	1 hour to 6 months, by format	On-site, Virtual, Workshop-based

01 CLIENT NEED

Clients want Cleveland Clinic expertise at their own institution, for clinical topics, hosted events or stronger curricula and faculty, without sending staff abroad.

02 WHY CLEVELAND CLINIC

Cleveland Clinic clinical leaders teach through live sessions, lectures and visiting professorships, the Center for International Medical Education reviews curricula, and Cleveland Clinic Abu Dhabi develops faculty.

03 WHAT YOU RECEIVE

- **Clinical Best Practice Session.** 1-hour session, virtual or on-site
- **CC Connected Speaker Series.** Monthly 1-hour sessions for members
- **Client Symposium/Conference.** Presenters for a client-hosted event
- **Visiting Professorships.** Teaching at the host institution, 1 to 2 weeks
- **Undergraduate Medical Curriculum Review.** Expert review over 3 to 6 months
- **CCAD Faculty Development.** Workshops on teaching, assessment and curriculum design

04 HOW IT WORKS

On-site / Virtual / Workshop-based | 1 hour to 6 months, by format

Format: Virtual sessions, event support, in-person teaching and curriculum advisory

05 WHAT WE NEED FROM YOU

- Host coordination and faculty availability
- Program fees: Speaker Series included for members; Curriculum Review $450 per hour; others to be confirmed

06 EXPECTED OUTCOMES

- Cleveland Clinic expertise for staff at the client's institution
- A curriculum strengthened by expert review
- Stronger teaching skills among faculty
