01 CLIENT NEED

Clients often want quick, targeted access to Cleveland Clinic expertise for a broad audience without sending staff abroad, whether on a specific clinical topic, as part of an event they are hosting, or as teaching delivered at their own institution.

Intended audience: All healthcare staff and leadership; physicians for Visiting Professorships. The CC Connected Speaker Series is available only to Cleveland Clinic Connected members and select JAC members as an included benefit.

02 CLEVELAND CLINIC VALUE PROPOSITION

Cleveland Clinic clinical leaders share their approach to medicine in their departments and specialties through live sessions, lectures and symposiums tailored to the hosting organization.

Formats range from monthly member sessions and one-hour virtual best-practice sessions to presenter support for a client's own symposium and visiting professorships, giving broad groups direct access to specialized expertise across clinical disciplines.
